

# Fascia

## Fascias for the SE8000 Series

Fascias are one of the customizable elements of the SE8000 Series Room Controllers. They provide a wide variety of colors and textures to match the SE8000 with room décor.

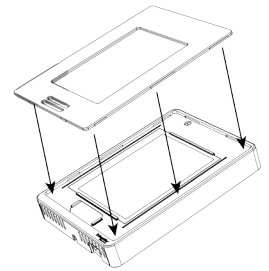

# Fascia Features

The Fascias for the SE8000 Series Room Controllers enable the customization of the exterior appearance of the Room Controllers to match and blend with any décor

## Introduction

You can replace the default fascia on the SE8000 Series Room Controllers with another snap-on fascia. Verify with the Datasheet for the SE8000 Room Controller Series to ensure the Fascia can be replaced (not available on SER8300 Limited Edition models). Refer to SER8300 Series Datasheet.

## AT A GLANCE

### Selection

- Multiple different Fascias to customize the SE8000 Series to match and blend with interior decor
- Available in basic colors such as white, silver and other textured finishes

### Installation

- Snap-on mechanism. Refer to Fascia (FAS) installation guide

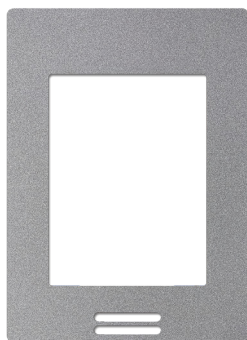

### Compatibility

- Compatible with the most recent releases of SE8000 models
- Not compatible with the first release of SER8300 models. Refer to SER8300 Datasheet to verify the SER8300 model has the removable snap-on Fascia feature
